

PIPELINE OFF-PEAK RIDER RIDER SCHEDULE "PL-OP-3"

Mississippi Public Service Commission Schedule No. 42

| | | |
|----------------|------------------------------------|--|
| PAGE 1 of 1 | EFFECTIVE DATE January 23, 1997 | DATE OF VERSION SUPERSEDED April 20, 1994 |
|----------------|------------------------------------|--|

APPLICABILITY

This rider is applicable as a demand side option to those LGS and LGS-EH customers classified by Company as being in Industry Groups 461 and 492. The 1987 "Standard Industrial Classification Manual" will be the reference manual from which the industry groups are determined.

TERM OF CONTRACT

The initial term of service to an establishment under this rider schedule shall be for a minimum term of five years, and continuing thereafter until terminated by twenty-four months' written notice by either party to the other.

AVAILABILITY

Qualifying customers may initiate service under this rider through December 31, 1995.

DETERMINATION OF CUSTOMER'S MONTHLY KVA BILLING REQUIREMENT

Customer's monthly kVa billing requirement will be the largest of the following:

- (a) The maximum kVa requirement established in the billing month during the on-peak hours shown below:

| Option | On-peak hours | |
|--------|---------------|--------|
| | Starting | Ending |
| A | 8 a.m. | 8 p.m. |
| B | 11 a.m. | 7 p.m. |

On-peak hours are defined as hours shown above, Monday through Friday, Eastern Standard Time year-round. All other hours and hours during New Year's Day, July 4th, Labor Day, Thanksgiving Day, and Christmas Day will be considered as off-peak hours and outside of the hours stated above.

- (b) 75% of the maximum kVa requirement established during on-peak hours during the previous billing months of June through October
- (c) 50% of the maximum kVa requirement established during off-peak hours during the billing month (Option A only), or
65% of the maximum kVa requirement established during off-peak hours during the billing month (Option B only)
- (d) 50% of the contracted kVa capacity (55% of contracted kW capacity)

Customer must choose either Option A or Option B when initiating service under this rider. Customer may change their option once per year, if desired, through a written request submitted to Company January 1 through March 31. The change will be effective the first full billing month following receipt of request.

In accordance with the Company's standard equipment lease/purchase procedures, Customer may be charged for additional metering and/or billing expenses incurred by Company to provide service under this rider.

All provisions of the applicable rate schedule LGS or LGS-EH not modified by this rider shall continue to apply.
