## ADJUSTMENT FOR DELIVERY VOLTAGE

When Company renders service at 115 kV or higher and customer furnishes, operates, and maintains complete step-down transformer substation necessary to receive and use such service, above charges will be subject to a credit of 60 cents per month per maximum kVA requirement.

## MINIMUM MONTHLY BILL

The minimum monthly bill will be the base charge plus the (on-peak kVA billing requirement charge multiplied by contract kVA) plus any applicable credit from the Adjustment for Delivery Voltage above.

## FUEL COST RECOVERY CLAUSE

To total of above charges for electric service under this rate schedule, there shall be added an amount determined in accordance with provisions of Company's Fuel Cost Recovery Clause Schedule on file with and approved by the Mississippi Public Service Commission.

## MISCELLANEOUS RATE ADJUSTMENTS

To the total of all of the above charges for electric service under this rate schedule, there shall be added or subtracted any amounts determined in accordance with clauses or plans filed and in effect with Mississippi Public Service Commission.

## TAX CLAUSE

To the total of all of the above charges for electric service under this rate schedule, there shall be added applicable existing Mississippi state and municipal sales taxes, and any new or additional tax or taxes, or changes in rates of existing taxes, imposed after effective date of this rate schedule by any governmental authority upon service rendered by Company here under.
